

For your professional pharmaceutical, healthcare and veterinary requirements

## COMPANY PROFILE

### WHY CORPORATE PHARMACEUTICAL SOLUTIONS?

Corporate PharmaCeutical Solutions (**CPC SOLUTIONS**) is a newly founded corporation, created in response to the market need for quality outsourcing solutions in the Pharmaceutical, Healthcare and Veterinary arenas that also fulfil all requirements for the South African government's economic transformation policy of Black Economic Empowerment. In fulfilling this market need, **CPC SOLUTIONS** is able to provide peace of mind to companies by way of providing a superior level of service, professionalism, knowledge and experience, that to which you are accustomed to receiving in this industry, whilst not having to compromise on meeting intrinsic and extrinsic demands on companies, such as head count restrictions and BEE compliance, ensuring you reach a Balanced Score Card approach to your business.

### WHO IS CORPORATE PHARMACEUTICAL SOLUTIONS?

**CPC SOLUTIONS** is not just another group of consultants, but vehemently, is rather your partner in outsourced solutions; a group of hands-on implementers of projects and/or all activities in the pharmaceutical and allied healthcare environment, whilst remaining committed to quality of service and product, AND reliability of delivery and turn around time.

**CPC SOLUTIONS** strives to make outsourcing an economically viable resource option for all companies irrespective of size and market sector.
